DOMINATOR SAFES

Better safe... than sorry.

FEATURES:

- 60mm thick walls encasing high density fire and penetration resistant materials.
- Exterior lift off hinges with full length bar lock protecting against hinge attacks.
- Up to seven 32mm diameter steel locking bolts ensure opening side has superior protection.
- 6 stage textured paint finish with clear coating provides a durable lasting finish.
- Floor anchoring provision allows secure fixing to eliminate easy safe removal.
- Protective anti-drill plating and relocking devices fitted for additional protection from forceful entry.
- 3 way locking bolts and glass plate relocking devices on selected models.
- Universal lock footprint for easy conversion to alternate lock types.
- Highest quality LaGarde electronic or group 2 rated mechanical combination locking system fitted as standard.
